

## Preclass assignment for March 23

*This assignment is designed to give you practice using this format.*

This format allows you to answer questions directly in your browser. It will also grade some of the questions immediately. Let's test it out!

**Question 1** *Did you find this page?*

**Multiple Choice:**

- (a) Yes ✓
- (b) No

We can also do math!

**Question 2** *Find the smallest, nonnegative solution to  $x \equiv 10 \pmod{6}$ .  $x =$  4.*
